# About us

Gerti Foods began its journey of bringing joy to your tables, with its original recipes of favourite flavours. One of great achievements that Gerti Foods takes pride in is the preservation of the treasures of more than 200 years tradition from the Has region, which when combined with innovation offer great quality with universal taste.

# OUR FOOD

Welcome to the world of Gerti Foods a world born from tradition and grown with passion! Gerti Foods utilizes premium ingredients to craft exceptionally appetizing recipes, resulting in a delightful array of products that are truly delicious. The products are adapted to different dietary recipes and are a delightful experience that will leave you craving for more. With its constant development of new products that are created in cooperation with top market leaders in order to meet the new consumer tastes makes GertiFoods your ideal partner in customer satisfaction.
